

ELECTRONIC SECURED ADJUDICATION FORMS ENVIRONMENT

Eligible citizens of visa exempt countries can apply online using Form I-192 and Form I-212 through e-SAFE. However, applicants who complete electronic filing via e-SAFE will need to go to the following ports of entry to complete the biometrics appointment portion (fingerprints and photograph) of the waiver process:

Buffalo Field Office

Alexandria Bay Ogdensburg	Champlain Peace Bridge	Lewiston Rainbow Bridge	Massena
------------------------------	---------------------------	----------------------------	---------

Boston Field Office

Bridgewater Fort Fairfield Jackman Vanceboro	Calais Fort Kent Lubec	Coburn Gore Highgate Springs Madawaska	Derby Line (I-91) Houlton Van Buren
---	------------------------------	--	---

Detroit Field Office

Ambassador Bridge	Detroit-Windsor Tunnel	Port Huron	Sault St. Marie
-------------------	------------------------	------------	-----------------

Seattle Field Office

Eastport Metaline Falls Pembina Sumas	Grand Portage Oroville Point Roberts Sweetgrass	International Falls Pacific Highway Portal	Lynden Peace Arch Roosville
--	--	--	-----------------------------------

The ports of entry listed above are the **only locations** able to process e-SAFE electronic filing with CBP biometrics processing for Form I-192 and I-212 applications. Additional locations will be added over time and will be published on the e-SAFE public web page. CBP will continue to accept paper filing at ports of entry for applicants who do not complete their application online. Any updates or changes to this process will be posted on www.cbp.gov.
